

RESEARCH TALENT PITCH BATTLE

DANISH SOUND DAY 2018 – 27 SEPTEMBER
DGI-BYEN, COPENHAGEN

Are you a Master, PhD, or Postdoc doing sound related research at a Danish university?
Then join the Danish Research Talent Pitch Battle and present your research to leading industry representatives, researchers, investors and organisations from the Danish Sound ecosystem.

Submit a nomination statement (max 2 pages) including:

- Name, institution, contact information
- Relevance and identification:
Describe the problem and context of your research (e.g. relation to societal challenges)
- Impact and consequences:
Describe the overall hypothesis, specific problems addressed as well as striking results.
- A relevant figure or illustration.
- A few scientific references.

Submit to: info@danishsound.org

Subject: Danish Sound Day // Research Talent Pitch Battle

Deadline: 13. September 2018 (extended)

Process

- Based on the nomination statements, 3 candidates are invited to pitch.
- The 3 finalists get travel costs and hotel accommodation covered.
- Each finalist gets 5 minutes to pitch during Danish Sound Day 2018.
- A jury selects the winner of the Danish Sound Research Talent Award 2018.
- Besides the honour the winner receives a travel grant* worth DKK 8.000,-
